PROFESSIONAL EXPERIENCE

SUNY at Albany, *Freelance Web, Marketing, and Social Media Assistant*, Albany, NY May 2026- Current

- Format and publish monthly newsletters for the University at Albany, compiling current events, important information, and department updates and reformatting to ensure consistent branding and accessible communication.
- Analyze social media performance using Sprout Social and platform analytics to identify viewer trends and optimize future content strategies.
- Video production from conception of concept to the creation and editing.

SUNY at Albany, *Social Media Content Creator*, Albany, NY Fall Semester '25 -Spring Semester '26

- Contracted for the 2025-26 school year to brainstorm and execute content strategies within a 5 person team to maintain a professional, yet engaging presence for the University on all social media platforms.
- Monitored real time trends on TikTok, Instagram, and X as well as current events to align digital content with the current student body, their supporters, and alumni.
- Produced and edited 3–5 pieces of short-form content weekly for TikTok, Instagram, and X, contributing to university-wide engagement initiatives.

College of Emergency Preparedness, Homeland Security, and Cyber Security, *Social Media Director*, Albany, NY Spring Semester '26

- Produced static and video posts to advertise and show the behind the scenes of the College of Emergency Preparedness, Homeland Security, and Cybersecurity for current students, alumni, and supporters.
- Developed and executed social media campaigns that increased account following by 35% within five months through trend monitoring, audience focused content, and strategic posting schedules.

College of Emergency Preparedness, Homeland Security, and Cyber Security, Ambassador, Albany, NY Fall Semester '25 -Spring Semester '26

- Contracted for the 2025-26 school year to serve as a primary spokesperson for the college, managing complex inquiries from both prospective and current students and external stakeholders.
- Coordinated and led high volume tours and recruitment events to ensure a smooth transition from High School education systems to the University at Albany (SUNY)

Old Navy, Store Associate, Albany, NY

October 2022- May 2026

- Maintained a part time schedule processing a high volume of transactions, returns, and exchanges while maintaining strict store policies and an organized inventory.
- Consistently recognized as a top Associate, exceeding monthly enrollment goals for the store credit card through persuasive communication and a comprehensive knowledge of benefits associated.

SUNY at Albany, Orientation Leader, Albany, NY

June 2025- August 2025

- Welcomed the entire incoming student population, leading groups of 20-40 incoming first year students through a dense orientation schedule and resource presentations, while maintaining a fun and exciting atmosphere.
- Completed intensive training in order to master campus resources, acting as a central point for communication and a guide to the exciting time of beginning college.

PROJECT EXPERIENCE

Virtual Reality Disaster Preparedness Project (PRO-ACTIVE), Student Assistant, Albany, NY

August 2024-May 2025

- Developed a comprehensive visual style guide and 3D assets for a disaster preparedness virtual reality game, ensuring consistent branding and an interface designed for a specific target demographic.

Closet Organization App, Albany, NY

January 2025-May 2025

- Led a team of four in the end to end development of a technical tool, utilizing JavaScript, HTML, and CSS to create an accessibility tool.
